

E – Courier *By Vicfast* ***Smart Systems for Smart People***

Thank you for your interest in the *Automated Payment* component of our E – Courier System.

Great News!

YOU no longer need to remember to pay your Vicfast account.

With our Automated Payment System you will still get your invoice/statement twice monthly, you will still have 14 days to check and reconcile your account and to remedy any discrepancies you have BUT at the end of that time instead of you having to raise a chq or organizing a EFT etc. your payment is automatically made via your nominated financial institution, Bank or Credit Card.

So, you get your invoice, you check it, if it is ok, just go about your business and we will do the rest.

If there is a problem with your invoice, contact our accounts department and they will attend to it as a matter of urgency.

By taking advantage of this system you will receive a 1% discount off your rates.

Please complete this and the attached authorization and return by fax to: 03 9703 1455.
