

E – Courier *By Vicfast* **Smart Systems for Smart People**

Thank you for your interest in the *Electronic Invoice Delivery* component of our E – Courier System.

It's simple, it's time efficient, it's environmental and it's just plain smart.

Instead of receiving all your statements and invoices in the mail along with pages and pages of proof of deliveries, we can now email your invoice/statement directly to the relevant person in your organization.

To check a consignment all you need to do is click on the relevant con note number on your invoice and a copy of your consignment with P.O.D. automatically appears.

It doesn't get much easier than that.

By taking advantage of this system you will receive a 1% discount off your rates.
