

E – Courier *By Vicfast* Smart *Systems for Smart People*

Thank you for your interest in the ***Web Dispatch*** and/or the ***Internet Booking*** component of our E – Courier System.

Web Dispatch is a simple and time effective online consignment generation system that eliminates the need for you to manually write your consignment notes. You also have the choice of printing consignment notes at your end or producing a manifest and we will automatically print the con notes at our depot.

With Web Dispatch all your customer’s details are automatically stored so once you have entered their details once, it is there for the future. So, after the first time it is virtually a matter of, clickclickclick etc and you are done.

In addition, you are also able to produce delivery address labels for all your items complete with barcode, sender details and delivery details.

The Internet Booking is simply a matter of logging onto www.vicfast.com.au, click on “Online Services” then “Online Bookings”, enter the relevant details, submit and you are done.

By taking advantage of these systems you will receive a 1% discount off your rates.

Please complete the details below and return by fax to 03 9703 1455 or email to: accounts@vicfast.com.au
